

# Student Enrolment System

**Batch Number - 615**

**Registration Number – 00070375**

**Nethmi Isurika Daniel**

## Introduction to the System

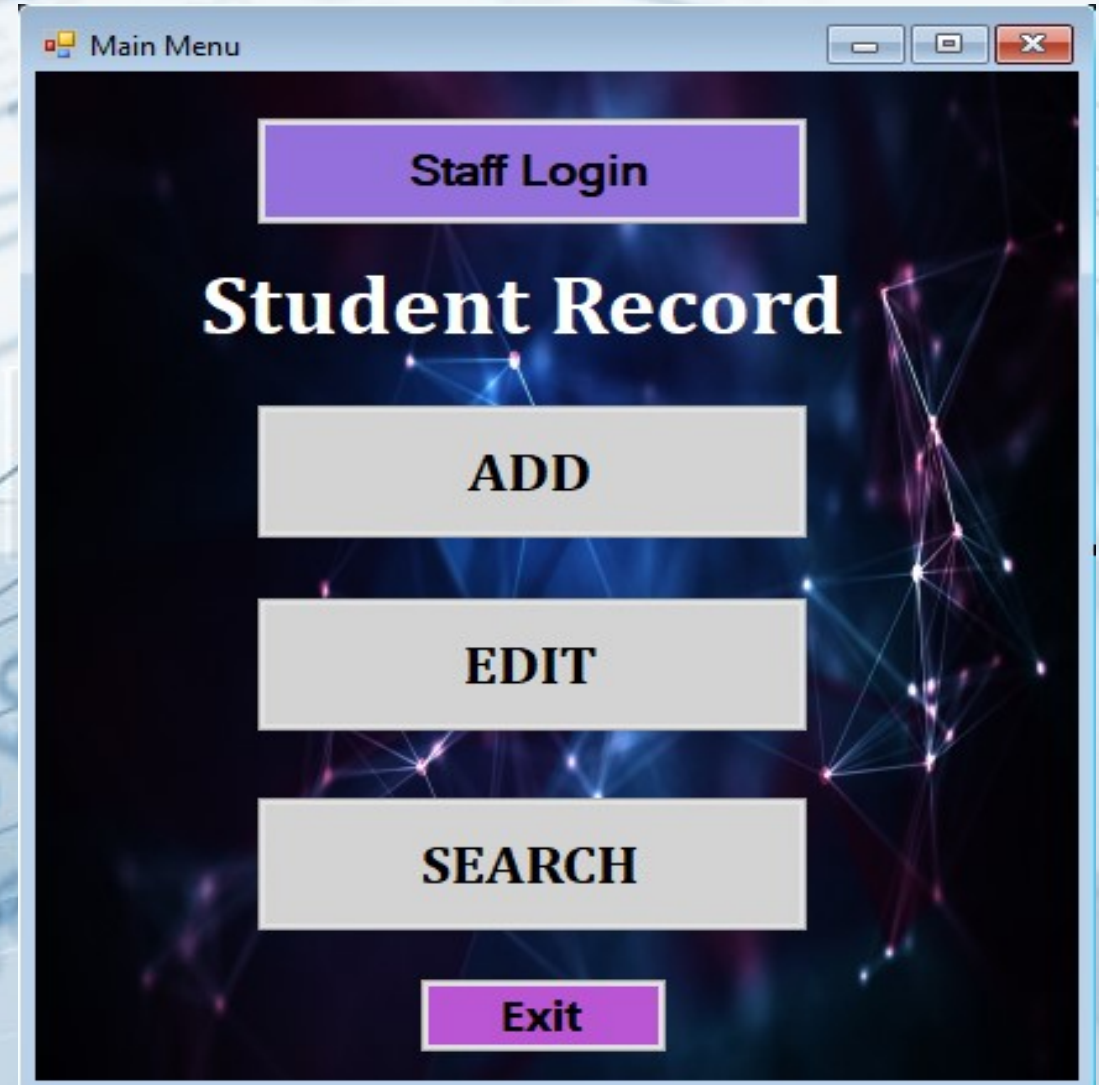

- i. Click on the “Staff Login Button” next we are direct to the “Login page” Next show the staff to login and the staff enter the username and password. When the staff login to the system the staff can see “Main Menu page”.
- i. Click on the "Add Button" it redirects to the "Student Profile" page. We can add new student.
- i. Click on the "Edit Button" next we can edit and delete student records.
- i. Click on the "Search Button" and we can search all student records from the database.

## Screenshots of System

This is Main  
Menu page. This  
is the menu of  
the system

**This is the login page  
this login page id use  
to staffs. First they  
want to login the  
system to enter theirs  
user name and the  
pass word.**

A screenshot of a web browser window titled "Login". The window has a blue header bar with standard minimize, maximize, and close buttons. The main content area has a dark blue background with a glowing network of nodes and lines. The word "Login" is displayed in a large, cyan, serif font at the top center. Below it, the labels "Username" and "Password" are written in a white, serif font. To the right of each label is a white rectangular input field. At the bottom center, there is a purple rectangular button with the word "Login" in white, sans-serif font.

In the Main menu page  
When we click on the  
“ADD Button ” it’s direct to  
the Add page. Then we can  
add a new student records  
as well.

Add

## Student Profile

<b>ID</b>	<input type="text"/>
<b>First Name</b>	<input type="text"/>
<b>Last Name</b>	<input type="text"/>

## **Future Enhancements**

**I would like to send an e-mail or message to the student with the student password and ID number. I will add the student profile picture. I will fix the system to see student profile details to the student .**

**THANK**

**YOU**
